- By signing this form, **you (the author(s) or other copyright owner) hereby transfer** your copyright to us (the publisher). If you do not own the copyright yourself, the copyright owner (e.g., your employer) should sign the form. If you are a US government employee, by signing this agreement you certify that your work is part of your official duties (not subject to copyright) or, if your work is copyrightable, that you hereby transfer your copyright to us (the publisher) under the terms of this agreement.
- In particular, this means that **you grant** us the exclusive right, for the full term of copyright and any renewals/extensions thereof, both to reproduce and/or distribute your article (including the abstract) ourselves throughout the world in printed, electronic or any other medium, and in turn to authorize others (including Reproduction Rights Organizations such as the Copyright Licensing Agency and the Copyright Clearance Center) to do the same. (If you receive any direct requests for permission to use your article, please pass them on to the Editor-in-Chief of **Rhodora**; we will respond as speedily as possible.)
- **You agree** that we may publish your article in the journal named above, and that we may sell or distribute it within the journal, on its own, or with other related material. In return, we agree to publish your article at our expense.
- **You warrant** that the article is your original work, has not previously been published, and is not currently under consideration by another journal. If it contains material which is someone else's copyright, you warrant that you have obtained the unrestricted permission of the copyright owner (please attach evidence of this) and that the material is clearly identified and acknowledged within the text. You also warrant that the article does not, to the best of your knowledge, contain anything which is libelous, illegal, or infringes anyone's copyright or other rights.
- **We promise** that we will respect your rights as the author(s). That is, we will make sure that your name(s) is/are always clearly associated with the article and, while you do allow us to make necessary editorial changes, we will not make any substantial alteration to your article without consulting you. We will have your article fairly reviewed by at least two impartial referees, and will let you know the outcome as quickly as possible. When the article is accepted, we undertake to publish it as soon as we reasonably can. **If it is rejected, this agreement is automatically cancelled and all the rights come back to you.** We will do everything we reasonably can to maximize the visibility of the journal, and of your article within it.

- **Copyright is transferred to us**, and we will indicate this in the copyright line which appears with your article. However, we grant back to you the right to use your own article (provided you acknowledge the published original in standard bibliographic citation form) in the following ways, as long as you do not sell it or give it away in ways which would conflict directly with our financial interests. You are free to use your article for the internal educational or other purposes of your own institution or company; mounted on your personal web page; or in whole or in part, as the basis for your own further publications or spoken presentations.
- We will keep the **information** you have provided for record purposes; you permit your name and address to be reproduced in the journal and on indexing and abstracting and bibliographic services. Your details will not be used for any other purpose.
