Here, In This Place

Here, in this place, I have all I ever wanted.
Here, in this place, I have everything I need.
I have love, I have beauty, I have grace
Here, in this place.

River

River, take me along in your sunshine, sing me a song
Ever moving and winding and free
You rolling old river, you changing old river
Let's you and me, river, run down to the sea
